The IDTAMA will, as far as is practicable, provide a stage surface suitable for dancing. However, IDTAMA cannot accept any liability for injuries sustained while on stage. The submission of an entry in the competition will be deemed to be an acceptance of this provision by a dancer.

Decisions of the IDTAMA as to the interpretation of these rules and in relation to all other matters pertaining to the Oireachtas shall be final. The submission of an entry will be deemed to signify that the teachers and their pupils concerned accept all these Rules in full and agree to abide by them.

Competitor numbers will be distributed on the day of the competition. Lost numbers may be replaced for a \$25 charge.

When collecting number for round 1, dancers do not need to confirm their set dance and speed. Dancers do not need to check in for round 2. For recall round (round 3), dancers will need to verify their set dance and speed before stepping on stage.

Dancer rotation start and subsequent round start numbers for solo and team competitions are to be generated by the tabulation company via a computer. The 2nd and 3rd round start numbers are determined by adding a third of the competition to each subsequent round start number. The computer-generated start numbers will be determined by the tabulation provider with no human involvement.

6. Artificial Carriage Aids: Any competitor found to be using artificial carriage aids and subsequently refuses to remove the same will be subject to disqualification from that particular competition. Medically prescribed apparatus (proof of which will be required) will be exempt from this ruling.
7. Makeup: Competitors in under 8 and under 9 and under 10 events are prohibited from wearing makeup or false eyelashes per the Rules of An Coimisiún.
8. The 100 Irish Point scoring system will be used in the competitions.
 - a) Scoring will be based on panels of 5 judges.
 - b) Each round will have a different panel of judges (the same judge will not adjudicate more than one round).
 - c) Irish points will be assigned to each judge's raw scores. Each dancer's highest and lowest Irish points for each round will be dropped and not used. Each dancer can achieve a maximum of 300 points for each round (100 points from each qualifying judge's rank).
 - d) Extended Irish points will be used for all dancers with a rank beyond 49th place. These are a small fraction of an Irish point that will decrease with each rank.
 - e) Irish points will be added up from all rounds, and this total of Irish points will be used to calculate the final rank.

All recalls during the Mid-America Oireachtas Championships, prior to being read aloud in the hall, shall be released and posted online, immediately following tabulations.

10. ADULTS

- a) An Adult dancer is defined as any dancer who started Irish dancing at the age of 18 or older OR any dancer 18 or older who has not competed in at least five years in a youth competition AND has never placed in the top three in a youth Preliminary championship competition of more than five competitors.
- b) An Advanced Adult dancer is anyone ages 18 or older who has previously placed in the top three of a Preliminary championship or competed in Open championship levels in the youth/& over levels regardless of when the competitor was active. Once a dancer begins competing in Advanced Adult, they may not return to youth/& over. All questions regarding eligibility in the Advanced Adult category must be directed to your TCRG.
- c) Dancers entering Adult Championship and Advanced Adult Championship will follow the rotation established for Adults/Advanced Adults at the NAIDC. All adults will dance the Hornpipe (40 bars) and Reel (48 bars). The third round in the Adult Championship shall be a traditional set dance. The third round in the Advanced Adult Championship shall be a Set of Choice.
- d) The Adult Championship and Advanced Adult Championship are non-qualifying events.

11. A dancer can only compete in one solo competition.

12. A dancer may only compete for one school of dancing in either solo championships, traditional sets, team championships or combination of events. College teams are excluded from this rule.

13. Adjudicators:

- a) The adjudicator's decision will be final in all cases.
- b) The draw for the adjudicator panel at the Oireachtas will take place in a public forum the morning of the competition.
- c) There will be a three-month moratorium on adjudicators judging in the Mid-America region for three months prior to our Oireachtas. The rule regarding the three-month moratorium on adjudicators in the Mid-America Region for three months prior to our Oireachtas is extended to include Grade Examinations
- d) An adjudicator is not eligible to adjudicate the Mid-America Oireachtas if they have adjudicated at our Oireachtas in the previous two years.
- e) Rotating panel of 5 judges, dropping the high and low scores for each round.

14. The rise of the Adjudicators tables will be as level as possible with the dance floor/stages. The Oireachtas stages will be 40 feet wide and 32 feet deep with free edges.

15. Any legitimate complaint must be submitted in writing within one hour of the announcement of the results in question, accompanied by a fee of \$25.00. If the complaint is sustained, the fee will be refunded. If a complaint is filed with the Regional Director and agreed to by the IDTAMA Executive Board, a penalty fine of \$500.00 will be assessed to any teacher, workshop teacher, and/or assistant teacher who exhibits immature and unacceptable behavior before, during or after their pupil's performance at the Oireachtas.

16. The stage area at the Oireachtas is limited to only Oireachtas competitors in that competition, stage monitors, Oireachtas volunteers and Committee officials. Stage monitors should act appropriately in regard to their own dancers. Dancers are allowed to leave the area if there is a problem.

17. Stages are for the sole purpose of competition and therefore may only have dancers on them during the competitions. The practice of warming up dancers and teams on a stage is prohibited at all times. The only exception is the Under 8 four hand and eight hand céilí teams which may practice walking on, standing in place, bowing and walking off. This will take place prior to the competitions but with the stage monitor present.
18. Any form of unauthorized photography which has the capability to capture a dancer's image while in motion, using electronic or manual means e.g., mobile phone, standard camera, video camera, cine camera, commercial film, with or without flash enhancement, is expressly forbidden in competition.
19. The Oireachtas Committee or the host hotels/convention space will not be responsible for personal injury, property loss or property damage.
20. Anyone found intentionally destroying or defacing hotel or Oireachtas property will be prosecuted; any competitor found to be involved with such vandalism will be disqualified from all competitions, including team competitions. Parents are responsible for their children.
21. Results of the Oireachtas may not be published on any personal/school website or social media outlet. Doing so will result in \$300 fine.

1. Mishaps/Re-dance

- a. Should a dancer fall on stage, whether in solos or in teams, the adjudicator **MUST** ring the bell to stop the performance of the dancer(s). Dancers so affected will be permitted to re-dance and will be marked then at the discretion of each individual adjudicator.
 - b. Should a dancer slip, bump into another dancer or have a costume malfunction whether in solos or in teams, the bell may be rung at the discretion of the adjudicators to stop the performance of the dancer(s). Dancers so affected will be permitted to re-dance and will be marked then at the discretion of each individual adjudicator.
 - c. Should a dancer lose a heel or a complete shoe or have an open lace, he/she may stand back allowing the other dancer(s), where applicable, to continue dancing uninhibited. In such a case the dancer concerned will be permitted to re-dance as soon as it is deemed practicable by the stage steward.
 - d. If a dancer falls during the last 8 bars in a performance of their Reel, Slip Jig, Heavy Jig or Hornpipe, then he/she will only dance the last 16 bars of that dance again at a time convenient to both dancers and stage stewards.
 - e. If the judges ring the bell to stop a performance during any part of an open solo set dance or traditional set dance, the dancer will perform the entire dance for their re-dance.
 - f. If in the opinion of the stage steward, having obtained medical advice if necessary, a dancer is unfit to re-dance and if such dancer insists on his/her right to do so, then the dancer concerned will only be permitted to re-dance on completion of a declaration form exonerating IDTAMA of liability for any consequences. Any repeat accident/incident which results in that dancer being unable to complete the required number of bars of any round, will result in the dancer withdrawing without question from the championship.
2. A competitor must not walk off the stage during a performance unless instructed to do so by an adjudicator or stage steward. A dancer who dismisses themselves from the stage without such permission will receive ZERO marks and ZERO points from all adjudicators.
 3. Respect for fellow competitors on stage is a requirement at all times. Lack of respect or courtesy for fellow competitors by aggressive dancing on stage will be subject to penalty at the discretion of each individual adjudicator.
 4. Failure to complete: Definition of complete means that all bars as outlined in the syllabus are danced without any stops. Choreographed pauses in steps are permitted.
 - a. If a competitor fails to complete the Treble Jig or Hornpipe round of a championship, they will receive ZERO marks and ZERO points from all adjudicators for that round. As a courtesy, they will be allowed to dance the equivalent light shoe round and while they will receive marks from each adjudicator, they will automatically receive ZERO points and will not be allowed to progress further in the solo championship.
 - b. If a competitor fails to complete the Reel or Slip Jig round of a championship, they will receive ZERO marks and ZERO points from all adjudicators for that round and will not be allowed to progress any further in the solo championship.
 - c. A competitor who fails to complete the open set dance round will receive zero marks & zero points from all adjudicators for that round & will be the last recall dancer. The dancer will be allowed to be recognized at the awards ceremony. Any points allotted to the dancer will stay with the dancer.

Solo Championship Rules

go.Feis

1. Solo competitors must dance in their proper age group.
2. Competitors must dance in numerical order as listed in the Oireachtas program.
3. No block, en point, stationary or moving, will be permitted to be performed for all ages up to and including the under 11 age group. The under 12 age group is permitted to do toe walks as of September 1st.
4. The Committee will ensure that no dancers from the same school dance on stage at the same time at the Oireachtas. This slight alteration in dance order would have to be approved by the Oireachtas Chair through the stage monitor. Dancers should be separated and dance as immediately as possible, for example, the next spot down.
5. Split protocol will be as follows: All competitions with 120 competitors or more entered in the Mid-America Oireachtas will be divided into two separate competitions with NO ADDITIONAL WORLD QUALIFIERS. A list of competitors entered in competitions with 120 dancers or more will be shared by the tabulation company with the Oireachtas Chairs. The Oireachtas Chairs will hand organize the splits based on the criteria voted on in the January 2019 meeting as outlined here for 2020 and beyond:
 - a) To create splits of equal strength, entered dancers will be re-ranked from top to bottom by the previous year's Mid-America Oireachtas placement in split A. Likewise, entered dancers will be reranked from top to bottom by the previous year's Mid-America Oireachtas placement in split B.
 - b) In the case of a tied placement from the previous year's Oireachtas, dancers will be sorted by birth order and then ranked accordingly.
 - c) From the above, all odd ranked dancers from split A and even ranked dancers from split B will be placed on one side. Even ranked dancers from split A and odd ranked dancers from split B will be placed on the other side.
 - d) Dancers who did not compete in the previous Mid-America Oireachtas will be organized by birth order and numbered, then split accordingly, odd and even. In the event of the same birth date, dancers sharing a birth date will be ordered alphabetically based on last name, then first.
 - e) The current world qualifier formula will be applied to the total number of dancers who competed in the combined splits and awarded accordingly.
 - f) These splits will then be confirmed by the Regional Director. The Oireachtas Chairs will return the split competition lists (A/B, even/odd) to the tabulation company, clarifying with the tabulation company that the re-ranking is not the order they are dancing in. The tabulation company will then randomize the competition, making certain schools are separate as needed.
6. World Qualifier Protocol
 - a) Split competitions - The following statement will be announced prior to the recall announcement of any competition that splits at the Oireachtas: The world qualifier formula has been applied to the combined number of dancers in each split. There will be _____ world qualifiers for this side of the split based upon the number that danced in the entire age group.
 - b) Non split competitions qualifiers will be calculated and announced, based on the number of dancers who actually dance, applying the current formula of CLRG.
7. Tempos for the Reel, Slip Jig, Treble Jig and Hornpipe will follow those listed in the World Syllabus.
8. The Mid-America Oireachtas will be consistent with the World Syllabus and will match the world procedure for which dance is performed in the first round.

9. For solo championship rounds, all light shoe rounds will be danced 2 at a time. All hard shoe rounds will be danced 3 at a time for ages up to and including under 15. Ages under 16 and older will dance the hard shoe round 2 at a time.
10. Rounds 1, 2 & 3 for all competitions are to be danced before a different panel of adjudicators.
11. All competitors must be presented to the adjudicators in full costume after each of the first two rounds for a number check. The number check as published is a guideline. Dancers will move back, if necessary, to facilitate the rotation.
12. Competitors will dance for 48 bars in the Reel and Heavy Jig and 40 bars in the Slip Jig and Hornpipe after an 8-bar introduction. Competitors beginning to dance before or after the stipulated 8 bar introduction will automatically receive ZERO marks and ZERO points from all adjudicators for that round.
13. RECALLS:
 - a) For solo championship competitions of 20 or less, all competitors will be recalled.
 - b) For solo championship competitions in which the number of world qualifiers is greater than or equal to 50% of the competitions, all competitors will be recalled.
 - c) For solo championship competitions of 21 or more, 50% of competitors will be recalled.
14. Set Dances: Approved set dances and their minimum tempos will follow those listed in the World Syllabus. Only dancers receiving a recall will perform a set dance. In all set dances the step will be performed on both feet and the set on the right foot.
 - a) Championship dancers under 11 and older and dancers in the Advanced Adult Championship select their choice of set dance danced one at a time.
 - b) Solo championship dancers in under 10 must perform a Treble Jig Set in the recall round danced one at a time.
