

Dear dancers, parents, teachers, and friends,

From the Executive Board of the Irish Dance Teachers' Association of Mid-America, welcome to Milwaukee, Wisconsin, for the 2025 Mid-America Oireachtas. This is a record setting event, with 2,995 dancers entered! I know we will enjoy a wonderful weekend of dancing.

Bringing our flagship event to a new city is no small feat. We extend a special thank you to Alyssa Harling and all of the Milwaukee teachers and schools for their tireless work to make this event possible. They have truly gone above and beyond. As you see our event chairpersons this weekend, I hope you will take a moment to thank and congratulate them.

Hosting the Oireachtas is a monumental task, and hundreds of hours of volunteer time have gone into this weekend. Thank you to each and every person who has given so generously of their time and talents. We all have so much to be grateful for this Thanksgiving weekend, including our wonderful Mid-America dance family.

Thank you to our adjudicators, musicians, vendors, teachers, dancers, and families who've traveled from around our region to be part of this championship, and to our dedicated IDTAMA Executive Board members for their hard work behind the scenes to ensure our region continues to thrive.

Finally, we wish all the dancers taking the stage this weekend the very best of luck. In the midst of the busy-ness of the weekend, I hope you take time to pause and reflect on the joy of dance. This Thanksgiving weekend, let's remember the love we share for this beautiful tradition, and give thanks for dance and for our dance community.

In gratitude,

Allison Duvall, TCRG

IDTAMA Regional Director

Dear attendees,

Welcome to the 2025 Oireachtas in the beautiful city of Milwaukee. While I am now a Chicago resident, I spent over a decade dancing and living in Milwaukee. It's where I went to college, met my husband, and had my child. I danced and taught in Milwaukee, and it will always be a second home. I'm so grateful that we are bringing this monumental event to Milwaukee.

This event would not be possible without the 8 Irish dance schools that came together to do so much work leading up to this event. Milwaukee has always been a city where dance schools come together for fundraisers, feisanna, and performances, and their continued partnership was instrumental in putting together this event.

Thank you to the following people:

- Chelsea Holloway, TCRG and the Bellator Academy for organizing our vendors and sponsors and program book.
- Bridget Jaskulski, TCRG & Nick Nowak of the Glencastle School for coordinating the efforts to store, build, and take down our stages.
- Kate Habel, TCRG; Laura Gottschlich, TCRG; and Caitlin O'Connor, TCRG of the Cashel Academy for organizing our massive crew of volunteers and our philanthropic events.
- Michaela Donohue, TCRG & Deirdre Kiley, TCRG of Trinity Academy for making sure our adjudicators and musicians receive top-notch hospitality.
- Laura Donaldson, TCRG; Anne Blume, TCRG; and Michelle McNamara, TCRG of The McNamara McCarthy School for organizing our awards ceremonies.
- Elyse Transon, TCRG of Milwaukee Irish Dance for managing our social media accounts.
- Brigid Kinsella-Alba, TCRG of the Kinsella Academy for organizing our social parties, pre-awards shows, and photo stations.
- Sean Beglan, TCRG & Aileen Cronin, ADCRG of Beglan Academy for coordinating and training the teachers who run the stages and make sure they run smoothly.

Thank you to the IDTAMA executive board: Cormac O'Se, TCRG; Joseph Manning, ADCRG; Katie Stegeman, ADCRG; Liz Jones, TCRG; and Mary Laffey-Beemsterboer, TCRG. Your expertise and guidance has been so helpful these last few months.

And thank you most of all to Allison Duvall, TCRG, our fearless leader of the Mid-America region. Your tireless work as regional director so appreciated. In many ways, I consider you the co-chair to this event. Thank you for everything you have done to support me and to help ensure that this Oireachtas goes as smoothly as possible.

Good luck to all who have gathered this weekend!

Best,
Alyssa Harling, TCRG

Congratulations on 25 years of teaching!
Allanda O'Neill, TCRG

Allanda O'Neill is a lifelong Richens/Timm dancer, growing up under the tutelage of Ann Richens and John Timm. She enjoyed a successful competitive career, competing in the World Championships 7 times and finishing as high as third place in the Mid America Oireachtas.

Allanda retired from competition after the 1998 World Championships and was quickly picked up by "Lord of the Dance", where she studied in London, England.

As a certified teacher, Allanda has found a place as a valued instructor at Richens/Timm where she continues to help transform young dancers into champions.

Allanda is honored to be recognized for 25 years of teaching with a truly special group of people!

Allanda wouldn't be here without the late, great Ann Richens and John Timm and is very thankful for everything they have done for her.

Congratulations on 25 years of teaching! Eileen O'Kennedy-Dunlap, TCRG

Eileen O'Kennedy-Dunlap is the daughter of Daniel and Gertrude O'Kennedy, immigrants originally from Counties Clare and Mayo. She grew up in a suburb of Detroit, immersed in a vibrant Irish community. Her father worked tirelessly to promote Irish culture locally and across North America. He co-founded the Detroit Feis in 1961 and was instrumental in bringing the Irish Dance Teachers' examinations to the United States.

Eileen began dancing almost as soon as she could walk, taking lessons at the Gaelic League in Detroit. Saturday classes often stretched four to six hours, while parents—mostly Irish immigrants—organized the next ceili or fundraiser. Eileen fondly recalls the blend of Irish accents filling the hall: Kerry, Belfast, Mayo, Dublin, and Derry.

After having two children and moving to Ohio, her children began dancing at the Tim O'Hare School, which was bursting with new students. Encouraged by Tim, Eileen pursued her teaching certification and quickly found her calling as an instructor. Over the next decade, she expanded the school to four locations across Northeast Ohio—and welcomed another baby along the way.

As a teacher, Eileen treasures many moments: teaching her daughter Kayla—an extraordinary dancer who is now a TCRG herself; traveling with her students to countless Nationals, Worlds, and All Irelands; attending weddings where her 30-year-old ceili team still bursts into an 8-hand jig; and teaching her "grand dancers" a three-hand reel at a St. Patrick's Day show.

Eileen later joined forces with Michael Holland and her daughter Kayla, both newly certified teachers, to establish the O'Kennedy Holland Irish Dance Academy. The school has since grown and evolved into the Rankin O'Kennedy Holland Irish Dance Academy, with thriving locations in Medina, Columbus, and Ann Arbor.

Eileen encourages all dancers to cherish each moment and not focus too much on placements—those are easily forgotten. Enjoy this time where each dancer's story is being written.

Congratulations on 40 years of teaching!

Mary Alice Mullane Godley, ADCRG

Mary Alice began Irish dancing at the age of four alongside her siblings at the Dennehy School of Irish Dance. Her love for the art form grew from her early days competing at local feiseanna to representing her school on the world stage at the World Irish Dance Championships.

Over the years, she helped nurture a small beginner program into what is now the Mullane Godley Academy, a school that prides itself on guiding dancers of all levels - from tot to world champion - and teaching them to learn the art form as much as she does along the way.

As a teacher, her dancers have achieved World Titles in five different categories: Girls' Solo, Men's Solo, Ceili Teams, Choreography, and Dance Drama — a distinction no other school in the United States can claim. As an adjudicator she has been honored to judge the All Ireland Championships, North American Championships and many Oireachtasi and feiseanna.

Mary Alice takes great pride in promoting Irish Dance in everything she does and looks forward to continuing to teach and adjudicate alongside this next generation of talented dancers, teachers and adjudicators.

Congratulations on 25 years of teaching!

Michaela Donohue, ADCRG

Little did I know in the fall of 1987 when I walked into a church basement on Chicago's northwest side (and yes, it really did all start in a church basement!) the journey that would ensue. Originally a tag-along friend who knew nothing about Irish dance, I immediately found my passion and my home at the Trinity Academy and have remained there in various capacities for 38 years. Despite my relatively late start at 9 years old, I was fortunate enough to work my way up the ranks quickly in teams and solos and was proud to represent Trinity and the United States on 5 teams at the World Championships, culminating in a gold medal in the Senior Girls Figure in 1998.

In the late 1990s I was a founding member of the Trinity Irish Dance Company and had the adventure of a lifetime touring North America and the world for several years before returning home to earn my TCRG and begin teaching full time at Trinity. Over my 25 years, I have seen success in every aspect of Irish dance, from solos to performance to my current position as Team Program lead but greater than any trophy or medal or ovation has been the lessons learned...the dreams defined...the moments met...the connections kept.

My deepest gratitude to Trinity's Founder, Mark Howard, for his leadership, guidance and unwavering belief in the power of this beautiful art form, my co teachers past and present for their inspirational dedication and invaluable friendship, my colleagues in the Mid America Region for maintaining a high standard of performance and integrity and motivating me to meet it, and the dancers and families at Trinity for their gracious support and love. None of this would have been possible without the constant commitment and belief of my mom, to whom I am forever indebted. I'd especially like to thank my husband and sons for their patience and understanding of my pursuit of dancing dreams and my darling dancing daughter for making me endlessly proud of each step on the stage. Cheers to the 2025 Oireachtas Committee for this honor and to the next 25 years. Onward.

Congratulations on 60 years of teaching!
Theresa “Tessie” Burke, ADCRG

My father, Thomas Scott, arrived in New York from Ireland in 1924. He moved to Cleveland, Ohio in 1942 and opened the first Irish Dance School in the area. Tessie opened her own school in 1958 in Lorain, Ohio after studying in Ireland with many other overseas aspiring teachers. In 1996, she opened a second school in Youngstown, Ohio, and at the invitation of the Irish Centre of Pittsburgh, began accepting students at the Irish Centre in 1971.

In Dublin in 1965, Theresa “Tessie” Burke was the first American-born woman to earn her TCRG & ADCRG at the same time, conditionally certified to adjudicate in the US only because she did not take the Gaelic (Irish) language portion of the exam. In 1969, Tessie was the first Mid-American teacher to enter dancers in the first ever US Qualifier for the World Championships, which was held in New York. For over 60 years, Tessie has taught several thousand students and has judged hundreds of local, regional, national and World competitions. She has selflessly dedicated her life to preserving Irish heritage through Irish Dance.

Tessie was the Midwest Oireachtas Chair three times & the US National Co-Chair once. She was the Mid-America President for four years & the Vice President for four years. Some of Tessie’s numerous accomplishments include teaching Noreen Conway Kilbane who was the Mid-American Oireachtas Champion consecutively from 1978-1990, Mary Rose Conway who placed 5th at the World Championships in 1985 and Garrett Coleman who was the back-to-back World Champion in 2002 & 2003. Burke Dancers were the first from Mid-America to ever compete in a World Championship. Some of her fondest memories include performing for the Irish Prime Minister in Pittsburgh & at a birthday party alongside Bob Hope!

Tessie was inducted into the North American Irish Dance Teacher Hall of Fame in November 2005. In 2008, she celebrated her 50th year of teaching. Her dedication was recognized by An Coimisiun le Rinci Gaelacha, when she was awarded the Gradam Rince Award of Distinction at the 2009 World Championships in Philadelphia & again at the 2013 World Championships in Boston, MA.

Most of all, Tessie loves teaching her students and encouraging them to succeed on stage & to build confidence for the future. Success is not always about winning but about becoming a better person. Best of luck to all of the competitors this weekend! Thank you to the Mid-America region for this recognition.

Congratulations to The Academy on your incredible achievement of 4 world titles at the 2024 World Championships in Dublin!

Our sincerest congratulations to Ed Searle & Byron Tuttle

Thank you....

To our parents for the countless miles driven to class, the never -ending hours of waiting in your car for practice to end, and for the trust and support you've given the teaching staff in working with your children.

To our dancers for giving us your ALL! For practicing through blisters and aches, for doing homework between soft shoes and hard shoes, for being there for your teammates, and for allowing us to teach you!

To the Oireachtas Committee for the countless hours that you have all put in to make this event the best it can be!

Medals and trophies will tarnish - but friendships made in class will last a lifetime!
